

**PMMA-XT-MIRROR IS AVAILABLE IN STOCK IN A WIDE RANGE OF COLOURS.**

Coloured Acrylic Mirrors offer great opportunities to Designers and Architects

*5 METAL COLOURS & 10 AMAZING COLOURS*

PMMA-XT-MIRROR is created with premium quality PMMA extruded sheets in 15 standard variations of colours. Coloured mirrors are available in 3mm thickness, 3050x2050mm, thermoformable protective film and are ideally suited to flat and arched applications.

**Minimum Quantity? Your needs!**

Creativity needs flexibility. 1 Sheet is the minimum quantity for each of our coloured mirrors. Excellent for use with the “Mixed Pallet” option.

**Your colours, always “in Stock”**

We have an average stock of 24 Tons of coloured mirrors available to always guarantee the deliverability you need for your projects.

**Save costs, ask for a “Mixed Pallet”!**

Optimize your packaging and transport costs. Define the mix of colours/thicknesses and the exact order of the mirrors on the pallet.

**Colours “On Demand”**

A special project sometimes requires a special colour. On Demand we can create\* a new mirror colour, based on any colour you need.

*\* min production: 3-5 tons + min lead time 4-6 weeks.*

**Use our “Fast Delivery”!**

The “fast delivery” option for coloured mirrors is a great way to optimize your investment and offer the full gamma.

**Ask for your “Colour Chains”**

The best way to appreciate a coloured mirror is the “in hand” experience. Request a colour chain or a full set of samples for your architects, designers and sellers.
